Abstract

In Incorporation of Fluconazole and Ocimum Sanctum Oil in Soft Denture Liners to Treat Biofilms of Candida albicans Associated with Denture Stomatitis. Godil, A., Bhagat, D., Das, P., Kazi, A., Dugal, R., & Satpute, S. Dentistry 3000 2021; 9(1). DOI: <https://doi.org/10.5195/d3000.2021.120>, we apologize that the name of one of the authors was misspelled by the managing editor when creating the PDF. Ashi Ilyas Kazi was corrected to Arshi Ilyas Kazi. The figure legends were also not in line with the respective figures and were fixed in the new version. The original manuscript has been updated to reflect the aforementioned changes.
